

# Girl Scout Brownies

## Girl Scout Way

Activity - Creating Jared Boxes

# Step 1

## Explain what Jared Boxes are

### Jared's Story

Talk to the girls and explain to them how Jared Boxes got started. Why are we making boxes today? How does this connect to sharing sisterhood and leaving places better than we found it?

# Step 2

## Gather materials to make Jared Boxes

### Sorting

Leaders should print out labels and notecards from the Jared Box website prior. Spread out all of the toys and other objects across a table. Organize them by type. Have the girls help and start thinking about what they would want to receive in a Jared Box if they were in the hospital.

# Step 3

## Show the girls how to make Jared Boxes

### How To

Show the girls live how to make a Jared Box, or use videos located on the Jared Box website, or the video that came with these lesson plans.

## Step 4 Make the boxes

### Implementation

Have the girls work individually or in small groups of 1-2 people. Have adults nearby to check that girls are filling the boxes appropriately. Fill the shoe box sized plastic container with toys.

## Step 5 Reflect & Connect

### Completion

Talk to the girls about what they just did and how this connects to being a Girl Scout and how they are making the hospital a better place. Take a picture of the girls with the boxes to commemorate their hard work and send it to [info@thejaredbox.com](mailto:info@thejaredbox.com).

Now that I've earned this badge, I can give service by:

- Making more Jared Boxes at home
- Making the world a better place by doing small acts of kindness each day
- Collecting donations for The Jared Box Project
