

Summer Camp 2021

This summer season comes filled with opportunities for girls to participate in a summer camp experience!

We have experiences at ALL four GSHPA camp properties - day camps, overnight camps, family camps, and even virtual camps. Camps range in price from \$65 to a two week Counselor-in-Training experience for \$600. We have themes for all interests and a Girl Scout experience for girls at all levels. Financial aid is available.

Which Summer Camp experience is a good fit for your Girl Scout?

Schedule super packed? Never been to camp before? Worried about homesickness? We get it! GSHPA has outdoor opportunities of varying lengths and for different comfort levels! Not a Girl Scout? No problem! You do need to be a member of Girl Scouts to participate, but you can join as a Juliette (independent Girl Scout participant) as part of the summer camp registration.

Virtual Camp: Meet other Girl Scouts and reconnect with old friends through live, facilitated Zoom sessions! Activity kits are mailed directly to each Virtual Camper! Registration cost: \$65 for members, \$90 for non-members.

Theme	Girl Scout Level / Grade	Dates
